To: Marc Marty;

My name is Bill De La Torre and I am a Sergeant for the Los Angeles Police Department. I work as the Training Sergeant at Hollenbeck Division. On May 7th, 8th, and 9th we will be providing training for our Officers in self-defense. The skills they learn are very important to Officer Survival in the street. In order to properly train them and to develop their skills, we need an instructor who is versed in the martial arts and knows police procedure. Your employee, Mr. Alex Paredes is well qualified in both areas and has developed a training program for our Division. In order to do the training, we need to activate Mr. Paredes as an instructor for those training days. He will be training approximately 200 officers over a three day period. In order to provide the training, Mr. Paredes would need to be available from 630am to 1030am. We would be deeply grateful if you would allow Mr. Paredes to readjust his work schedule in order for us to activate him as a instructor.

If you have any questions, feel free to contact me at (213) 485-8332. Thank-you for your assistance in this matter.

Sincerely,

Bill De La Torre
